Wainfleet Township Public Library joins the Libraries in Niagara Cooperative (LiNC)!

For Immediate Release March 17, 2020

We have some exciting news!

On March 25, we will be migrating to a new library system and joining the Libraries in Niagara Cooperative (LiNC)!

There are a few things you should be aware of as we prepare to migrate to this new system.

Access to our online catalogue will be suspended the evening of March 21. Between March 21 and March 24 you will not be able to view your account, renew items, place holds, etc.

We are still open for Curbside Service from March 22 – March 24 and you can continue to borrow items however, holds will only be accepted by e-mail to holds@wainfleetlibrary.ca or by calling 905-899-1277. Any items you borrow during this transition period will appear on your account after March 25.

Late charges will be eliminated for all juvenile items and there will be other minor changes to our fines, fees and loan periods to bring us in line with LiNC standards.

Unfortunately, we cannot migrate your old item lists or charge history to the new system, so please save this information outside the catalogue if you wish to keep it. If you require assistance with this, please call us during Curbside Hours BEFORE noon on March 19.

What else does this mean for you?

Beginning early in April 2021, you will be able to use your Wainfleet Township Public Library card at any other library in the LiNC system, including Pelham Public Library, Thorold Public Library, Fort Erie Public Library, Niagara-on-the-Lake Public Library, Grimsby Public Library, Lincoln Public Library, Welland and Port Colborne Library! You will also be able to request items from these libraries for pickup at the Wainfleet Township Public Library.

We hope you'll be as excited as we are about joining the Libraries in Niagara Cooperative. If you have any questions, don't hesitate to reach out!
